We've been to this convention quite a few times. It's one of the best science fiction/fantasy conventions ever. We are the gaming guest of honor, so there will be plenty of things going on with us. There will be plenty of events, and we will be hiding on a couple panels as well. Stop by. We like people...

Origins Game Show

Columbus, OH

June 24-27

Website: <http://www.originsgames.com/>

Carnival of the Damned - This will be a bigger and better Zombies party as we have all the cool zombies people involved. This event will be hosted by Eden Studios, Midnight Syndicate, Twilight Creations and Z-Man Games. We once again are playing for zombies with games from all of the sponsoring companies (and some music from Midnight Syndicate) as well as poker, blackjack and whatever silly carnival games we come up with. Prizes galore. Music, food and cash bar!!!

Zombies Intro - You are running and screaming. Zombies are closing in when you hear the helicopter. You must make it to the helicopter and will kill anything that gets in your way. Show off your zombie killing skills in this wildly popular

boardgame. Thurs 2 p.m., Friday 11 a.m., Saturday 12 p.m., Sunday 12 p.m.

Zombies Advanced - You've been here before. You know what's at stake, and so do the other players, but now the rules have changed. This is for the experienced Zombies!!! Players only. It's too gruesome for those who have no idea. Rules taught - survival not guaranteed. Friday 10 p.m., Saturday 10 p.m.

Zombies 4: The End - Making it through the hoards of walking dead, it's come to your attention that you must go to the cabin in the woods to stop the dead from rising. That's not as easy as it sounds - not with four-legged walking dead chomping at your ankles. Thurs 3 p.m., Fri 12 p.m., Sat 2 p.m.

When Darkness Comes - It's dark, you were scared but you now have allies, weapons and a little more confidence that you may figure out a way to make it out alive. Learn this innovative roleplaying boardgame with a modern horror setting. Rules taught. Friday 10 a.m., Sat 11 a.m., Sun 11 a.m.

Dante's Inferno - You want control of Hell but must defeat Lucifer first. Learn this win-by-any-means game that takes you through the demon-infested 9 circles of Hell, racing to defeat Lucifer before anyone else. Sat 10 a.m., Sun 10 a.m.

The Haunting House - It's Friday night, you're bored and the old Breitenstein place is just screaming your name. The bet is made. Everybody goes in the front and the first one out the back wins. If only it were that easy. Rules taught. Thurs 3 p.m., Fri 10 a.m., Sat 1 p.m., Sun 12 p.m.

Shambling will never be the same. Rules Taught. Friday 2 p.m., Sat 4 p.m., Sunday 2 p.m.
